Product Description

OstroVit Pharma For Relaxation - 60 Capsules

Description

OstroVit Pharma For Relaxation is a comprehensive dietary supplement designed to support relaxation and overall body well-being. This product contains five valuable ingredients, including gamma-aminobutyric acid (GABA), L-theanine, and natural plant extracts. Part of the premium OstroVit Pharma range, these easily swallowable capsules are intended for adults who care about relaxation and the proper functioning of their bodies.

Ingredients

- **Gamma-aminobutyric acid (GABA)** - 500 mg
- **L-theanine** - 250 mg
- **Ashwagandha root extract** (7.2% withanolides, 1% alkaloids, 0.25% vitamin A) - 139 mg
- **Centella Asiatica extract** (10% triterpenoids, including: 2% asiaticosides, 6% madecassosides, 2% asiaticoside B) - 300 mg
- **Rhodiola Rosea root extract** (1% salidroside) - 100 mg

Usage

Take 1 serving (2 capsules) daily, preferably with food. This product is intended for adults.

Warnings

- This product is not a medication.
- Do not use without consulting a physician.
- Not for use by children, pregnant, or breastfeeding women.
- If you are allergic to any ingredient, consult a doctor.
- Do not exceed the recommended daily dose.
- Store in a dark, dry place out of reach of children.
- Avoid moisture. Keep tightly closed in a dry place at 15-25°C, protected from direct sunlight.
- Do not use while driving or operating machinery.

Expiry Date

See packaging.
